1. INCORPORATION PROVISIONS

The following are incorporated in and made part of this Policy:

- any Policy amendments, endorsements or riders;
- the application of the Policyholder;
- the certificate(s); and
- any certificate amendments, endorsements or riders.

This Policy is the entire contract.

The certificate(s) and/or any certificate amendments, endorsements or riders include but are not limited to the following provisions that apply to the Employees of the Policyholder:

- benefit amounts and maximum limits;
- eligibility and effective date provisions;
- benefit plan provisions;
- termination provisions;
- exclusions and limitations; and
- other certificate provisions pertaining to state insurance requirements or that are related to the benefits provided under the certificate(s).

2. PREMIUMS

Payment of Premiums

The premiums due under this Policy on each Premium Due Date are based upon the premium rates in effect for the benefits provided. The premiums due are the sum of the monthly premiums for all persons insured for all benefits.

Premiums payable to us will be paid in United States dollars on the Premium Due Date.

The premium for additional, increased, reduced or terminated insurance will cause a pro-rata adjustment on the next Premium Due Date.

Premium Rates

We determine initial or any subsequent monthly premium rates on the basis of the insurance being provided. After the initial monthly premium rates have been in effect for 36 months from January 1, 2023, we have the right to recalculate any premium rate. However, we have the right to recalculate the initial or any subsequent monthly premium rate when any of the following occurs:

- the terms or benefits of this Policy are changed;
- a new division or subsidiary or affiliated Company is added to or deleted from this Policy;
- the number of Employees covered under this Policy or a benefit changes by more than 25% from the number on the Policy Effective Date or any anniversary of the Policy Effective Date thereafter; or
- one or more classes are added to or deleted from this Policy.

We will provide written notification of any increases in the premium rates to the Policyholder at least 60 days prior to the effective date of the increase. Premium rate increases may take effect on an earlier date when both the Policyholder and we agree.

Grace Period

The grace period means the 31 day period of time following the Premium Due Date during which premium payment may be made. If the Policyholder does not pay the required premium before the end of the grace period, this Policy will automatically cease at the end of the grace period. If the Policyholder gives us advance written notice that this Policy will cease on an earlier date, then this Policy will cease on that date; but no such termination will take effect during any period for which the required premium has been paid to us.

The Policyholder is responsible for the premium that is due during that part of the grace period that the insurance remains in force or the entire grace period if written notice is not received prior to the end of the grace period.

3. TERMINATION

Termination of Benefit Provision

A benefit provision made part of this Policy will terminate for any of the following reasons:

The Policyholder may terminate a benefit provision by advance written notice delivered to us at least 31 days prior to the termination date. The benefit provision will not terminate during any period for which premium has been paid. The Policyholder will be liable to us for all premiums due and unpaid for the full period that the benefit provision is in force.

We may terminate a benefit provision on any Premium Due Date by giving written notice to the Policyholder at least 31 days in advance if the Policyholder fails to promptly furnish any information we may reasonably require.

We may terminate any benefit provision on any policy anniversary by giving written notice to the Policyholder at least 31 days in advance if:

- less than 20% of all Eligible Employees are insured for Employee Voluntary Life Insurance; or
- the number of insured Employees for that benefit is less than 10.

Termination of a benefit provision may take effect on an earlier date when both the Policyholder and we agree.

Termination of Policy

This Policy will terminate on the earliest of:

- the last day of the grace period if premiums remain unpaid;
- the termination date requested by the Policyholder in writing but no earlier than the last date for which premium has been paid;
- the date that we specify in advance written notice to the Policyholder. We may give this notice at any time, but not less than 31 days in advance of such date. Occasions on which we may give this notice include but are not limited to:
 - at any time when the Policyholder fails:
 - to furnish promptly any information that we may reasonably require; or
 - to perform any other obligations pertaining to this Policy;
 - at any time when the Policyholder ceases to qualify for insurance coverage under this Policy in accordance with our then current standard underwriting rules and practices.
 - any date the Policyholder does not have at least 10 Employees insured under this Policy; or
 - any date the Policyholder is not actively engaged in the business that we agreed to insure.

We have the right to terminate this Policy on the policy anniversary after we give the Policyholder at least 60 days notice of our intent to terminate.

Once this Policy terminates, the insurance it provides will end automatically.
