2027 BENEFITS

Source: Walter Leininger

Dear City of Milwaukee Retiree:

Welcome to the City of Milwaukee Retiree Benefits Guide. This guide highlights the medical and pharmacy benefits available to City retirees, including important information about the fall open enrollment period. For more information, you may visit the Employees' Retirement System (ERS) website at https://www.cmers.com/CMERS_RD/Retirees/Health--Dental-Insurance.htm.

This guide includes helpful information for all City of Milwaukee Retirees and is a useful resource as retirees make important decisions regarding health plan choices for 2027. The City's open enrollment period is the only opportunity during the calendar year to make health, COBRA dental, and COBRA vision plan changes outside of a qualifying life event/change in family status. COBRA can only be added within the 60-day window of when they originally qualify.

Information contained in this guide pertains to both non-Medicare and Medicare Retirees and includes health and pharmacy information for the City-sponsored UHC Plans (including the Medicare Advantage plan) and the Milwaukee Retiree Association (MRA) Group Medicare Advantage Plan through Aetna. Any questions about retiree benefits should be directed to the Employees' Retirement System (ERS) at 414-286-3557 or to Norm@cmers.com. The Department of Employee Relations (DER) Benefits Division does not handle retiree benefits.

Thank you for your years of service.

"We make investment in pay and benefits for our city colleagues because we value them – and value the work they perform. We have developed a great team, and our benefits reflect our goal of retaining employees and advancing our perception as a good employer. This 2027 guide outlines the number options so that employees can make the best choices for themselves and their families."

Mayor Cavalier Johnson

"The Mayor's commitment to you is what makes these benefits possible. My team's job is to make them easy to use. Review your 2027 options, reach out with questions, and choose the coverage that fits your life and your family."

Molly King
Employee Benefits Director

This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/ Benefits Department.

INTRODUCTION

The City will continue to partner with UnitedHealthcare for plans for our retirees in 2027. The City will continue to offer the UHC Choice EPO and Choice Plus (PPO) plans for non-Medicare Retirees. **Medicare Retirees have a choice of two different group health plan options, including the City-sponsored UHC Group Medicare Advantage PPO plan and a Milwaukee Retiree Association (MRA) Group Medicare Advantage plan.** The MRA, in cooperation with National Benefits Consultants, Inc. (NBCI), offers a Medicare Advantage (MA-PD) low-premium (\$13 per month) plan. Retirees will receive a separate packet with information from MRA and NBCI regarding this option. For more information on the Medicare Advantage plan, contact NBCI at 800-875-1505 or 262-201-4370.

Retiree members without Medicare enrolled in the City's UHC Choice Plus (PPO) and Choice (HMO) plans have pharmacy benefits through UnitedHealthcare/OptumRx with a 20% coinsurance and a \$75 maximum for a monthly prescription. Members can also receive a three-month supply of medication through mail order with a maximum payment of \$150.

If you do not intend to make any changes to your enrollment and continue with the plan you are currently enrolled in, no action is needed on your part; your current plan elections will continue into 2027.

Important Update for Medicare-Eligible Members

No action is needed to keep your City coverage. You will continue to be enrolled in the City-sponsored UHC Medicare Advantage (MA) PPO plan. If you prefer to decline City coverage, you will have the opportunity to opt out.

Please do not enroll in any other Medicare Advantage or Part D plan. Doing so will interfere with your City coverage.

Your prescription coverage

- You will keep your pharmacy benefits through the UHC Group Medicare Part D plan (MedicareRx).
- You pay 20% coinsurance, capped at \$75 per month or \$150 for a three-month supply.
- The annual out-of-pocket maximum is changing to \$2,400 per person, in line with federal indexing (see page 11). There are no other design changes to the City's group Part D plan.

Your medical coverage

- The plan design in this guide includes medical deductibles that remain significantly lower than what was offered before 2026.

Non-Medicare retirees and spouses under age 65 who take the City's health insurance and live in the Milwaukee area can utilize Froedtert FastCare® Clinic services at no cost for most services. Covered members can visit four approved Froedtert FastCare® Clinic locations to receive high-quality care (see page 9 for more information).

Retirees enrolled in City-sponsored UHC plans **MUST** notify the ERS in writing by **Oct. 30, 2026**, if switching to a non-City plan. Retirees can return to the City's health plan (during open enrollment or a qualifying event) as long as coverage is maintained elsewhere after leaving the City's plans. City-sponsored cancellation and enrollment/change forms can be found on the ERS website www.cmers.com/CMERS_RD/Forms.htm. **If retirees do not intend to make changes to their City-sponsored plan selection for 2027, they do not need to take any action, and their current enrollment will carry over to 2027.**

The City is holding in-person Open Enrollment Fairs, and retirees are welcome to attend to determine the most appropriate healthcare plan option for their situation. ERS is also holding virtual sessions where members can participate to learn about benefits and get their questions answered. Information about these online sessions is available on ERS's website (www.cmers.com). Retirees may also reach out to ERS, DER, UHC, and National Benefit Consultants with questions. Contact information is listed in the back of this guide.

BENEFITS BASICS

Qualified Life Events / Change in Family Status

Generally, retirees can only change benefit elections, including dropping coverage, during the annual open enrollment period. However, retirees may also change benefit elections during the year if they experience a qualified life event/change in family status, including:

- Marriage
- Divorce or legal separation
- Birth of a child
- Death of a spouse or dependent child
- Adoption of or placement for adoption of a child
- Change in employment status of retiree, spouse or dependent child
- Qualified medical child support order
- Entitlement to Medicare or Medicaid

The Summary Plan Description describes the health benefits available to retirees and covered dependents and is available on the ERS and DER Benefits website. It provides greater details on who is eligible, when coverage begins, when coverage can be changed, covered and excluded services, and how benefits are paid.

One-Family Plan Rule

City employees and retirees who are married to each other may only carry one City health plan between them. Members are required to report their marriage to ERS, along with their marriage certificate, within 31 days of the date of marriage. Members may have additional costs if they fail to report their marriage and will have to wait until the open enrollment period to enroll their spouse.

Enrollment Status

Retirees are responsible for keeping their enrollment status, including births, marriages, divorce, Medicare entitlement and other family status changes current by contacting ERS and completing the proper waiver or enrollment forms. See the enrollment instructions on page 16 for more information.

31-Day Rule for Retiree Benefit Plan Coverage

Retired employees **must** keep their enrollment status current and notifying ERS within 31 days of births, adoptions, marriages, divorces, changes in dependent status, deaths, and Medicare coverage. Coverage for dependents is effective on the date of the family status change, provided retirees notify ERS within 31 days of the event (marriage, birth, adoption, placement of a dependent). Members must provide proof, including a marriage certificate and/or birth certificate, and include Social Security numbers for each dependent enrolling in benefits. Non-compliance with coverage eligibility rules may expose members to additional costs or the removal of dependents from the plan.

Open Enrollment (October 19 – October 30, 2026)

Retirees have the opportunity during the City's open enrollment period to newly enroll or make adjustments to existing benefits. ERS is holding two online virtual sessions where retirees may participate to get their questions answered. Information about these online sessions is available on ERS's website (www.cmers.com). The City is also holding 6 Open Enrollment Fairs and 1 Virtual Fair that employees and retirees can attend:

Day	Date	Time	Location
Wednesday	October 21, 2026	10:00 AM – 1:00 PM	City Hall Rotunda, 200 E. Wells St.
Thursday	October 22, 2026	2:00 PM – 4:30 PM	DPW Field Headquarters Cafeteria, 3850 N. 35th St.
Friday	October 23, 2026	12:00 PM – 1:00 PM	Virtual – link at city.milwaukee.gov/der/benefits
Monday	October 26, 2026	2:00 PM – 4:30 PM	DPW Field Headquarters Cafeteria, 3850 N. 35th St.
Tuesday	October 27, 2026	2:00 PM – 5:00 PM	DNS Lake Tower, 4001 S. 6th St.
Thursday	October 29, 2026	2:00 PM – 5:00 PM	Fire and Police Academy, 6680 N. Teutonia Ave.

BENEFITS BASICS

Dependent Coverage

Retirees' eligible dependents may also participate in the City's health plans. Retiree dependents may not enroll in health or dental benefits unless the retiree is also enrolled. An eligible Dependent is considered to be:

- A retiree's legally married spouse
- A retiree or spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom the retiree or spouse is the legal guardian. Coverage for dependent children is through the end of the month the dependent turns 26, regardless of school or marital status
- A child of a dependent child (until the dependent child, who is the parent, turns 18)
- A child for whom coverage is required through a Qualified Medical Child Support Order or other court or administrative order

Outside Health Coverage

- With the exception of Medicare Part A & B, members with other coverage through separate employment, their spouse's employment or retirement must choose one plan. There is no penalty for a City member who waives coverage and enrolls in coverage through a spouse or an outside health plan. Members must notify ERS and complete the proper paperwork if waiving coverage. When a member loses other coverage, they can re-enroll in City retiree coverage. Members that terminate City of Milwaukee coverage may re-enroll during open enrollment or through a qualifying event. **Members who leave the City's health plan must maintain health coverage elsewhere, other than Medicare, or they cannot return to a City sponsored health plan.**

Medicare Eligible Notices

- It is the member's responsibility to be properly enrolled in Medicare Part A and Part B when participating in the City's retiree health plan coverage (or COBRA) when Medicare-eligible due to Social Security disability or at age 65. Medicare Part A and B must be in place when participating in City plan coverage in which Medicare is the primary payer. Members should plan in advance for Medicare enrollment so it is in effect on the date needed. If Medicare is not properly in place, members may experience claim related issues and additional expenses from gaps in coverage. **It's recommended that members start the process to enroll in Medicare around three months prior to their eligibility date.**
- Medicare eligible members who elect to enrolled in the City sponsored UHC MA Plan are automatically enrolled in the MedicareRx Group Part D plan. Members should not join their own Part D plan; doing so will interfere with enrollment in the City's Part D group plan coverage. Members may only participate in one Part D plan at a time.
- Medicare members must include a copy of the member, spouse and adult dependent (if applicable) Medicare ID card with the enrollment form within 31 days that Medicare is in place in order to be charged the correct health plan premium rate. Failure to show the card within the 31 day timeframe can result in members paying a higher premium. No refunds will be given after the 31 day deadline for incorrect premiums.
- Retiree members, spouses, and plan dependents under 65 and eligible for Medicare as a result of a Social Security disability or duty disability must be enrolled in Medicare Part A and Part B. This is a requirement of all City-sponsored health plans. Refer to the guide "Who Pays First" on the ERS website.
- Call 1-800-772-1213 or visit the local Social Security Office for questions regarding Medicare Part A and Part B entitlement, eligibility, and enrollment. Members can also enroll at www.ssa.gov and access additional Medicare benefits information by visiting www.medicare.gov or calling 1-800-Medicare.

2027 HEALTH PLANS FOR RETIREES

Important Enrollment Reminders

- **Members who are not making health benefit changes in 2027 do not need to re-enroll.**
- Non-Medicare plan members wishing to change enrollment between the UHC Choice and UHC Choice Plus plan need to complete a health enrollment form through ERS.
- Medicare members who leave the City plan and take the MRA Medicare Advantage plan or another outside plan will need to notify the ERS staff in writing. See page 16 for details.
- Members who leave the City's health plan must maintain health coverage elsewhere, other than Medicare, or they cannot return to a City-sponsored plan.
- Members enrolled in COBRA plan coverage may continue enrollment in their current plan as long as they are eligible or may cancel coverage. Members may not change their COBRA plan options unless they have a qualifying event.
- Members who have questions regarding retiree benefits should contact the ERS at 414-286-3557. DER Employee Benefits does not handle retiree benefits.
- **Retiree enrollment or cancellation forms must be returned to the ERS office by 4:30 pm on October 30, 2026.**

UHC Choice EPO (Non-Medicare)

- Provides uniform City benefits through in-network providers.
- Has a national network identical to the PPO plan with over 650,000 physicians and health care professionals and over 5,000 hospitals throughout the United States.
- Members can go to any UHC network provider in the United States.
- Members enrolling in this plan do not need to select a primary care physician (PCP).
- All emergency services are covered as "in-network," with in-network deductible and coinsurance.
- All preventive services, as defined by UHC and coded by physicians, are covered at 100% without any deductible or coinsurance.
- If a provider leaves the UHC Choice network before the end of the plan year, members must see a new provider in the UHC Choice network or pay the provider expense out-of-pocket. Provider contracts are established throughout the year, and they may choose not to continue with the contract at the renewal date.
- Call UHC at 1-800-841-4901 to verify providers and hospitals are in-network or visit www.myuhc.com.

UHC Choice Plus PPO (Non-Medicare)

- Provides uniform City benefits through both in-network and out-of-network providers.
- Has higher deductibles and coinsurance (see the medical plan options table for more information).
- Has a national network with over 650,000 physicians and health care professionals and over 5,000 hospitals throughout the United States.
- Members can go to any UHC network or non-network provider in the United States. The member will pay more to visit a non-network provider.
- Members enrolling in this plan do not need to select a primary care physician (PCP).
- All emergency services are covered as "in-network," with an in-network deductible and coinsurance.
- All preventive services, as defined by UHC and coded by physicians, are covered at 100% without any deductible or coinsurance.
- If a provider leaves the UHC Choice Plus network before the end of the year, members can continue to see that provider, but will have to pay the higher deductible and coinsurance for an out-of-network provider.
- Call UHC at 1-800-841-4901 to verify providers and hospitals are in-network or visit www.myuhc.com.

2027 HEALTH PLANS FOR RETIREES

The following group health plans are available for Medicare-eligible retirees and Medicare-eligible plan dependents:
City Sponsored UnitedHealthcare (UHC) Group Medicare Advantage PPO with UnitedHealthcare Medicare Rx

City of Milwaukee (City Sponsored) UHC Group Medicare Advantage Plan PPO

- Includes Medicare Parts A and B medical benefits, Part D prescription drug benefit, plus more benefits not covered by original Medicare. This is a group Part C plan.
- Large nationwide network of doctors or hospitals to choose from.
- Ability to use providers in or out-of-network at the same cost.
- If members choose to see an out-of-network provider, they must be eligible to receive Medicare payments and willing to accept the plan. Members will pay the in-network cost share.
- \$350 medical plan deductible.
- Renew Active™ by UnitedHealthcare offers an array of fitness benefits including a free gym membership
- Members have limits on out-of-pocket medical plan costs. In 2027, there is a \$3,000 annual out-of-pocket maximum.
- Guaranteed acceptance as long as eligibility requirements are met.
- Includes special programs to help members manage health conditions.

Milwaukee Retiree Association (MRA Sponsored) Aetna Group Medicare Advantage Plan

- Includes Medicare Parts A and B medical benefits, Part D prescription drug benefit, plus more benefits not covered by original Medicare.
- Large nationwide network of doctors or hospitals to choose from.
- Ability to use providers in or out-of-network at the same cost.
- If members choose to see an out-of-network provider, they must be eligible to receive Medicare payments and willing to accept the plan. Members will pay the in-network cost share.
- Offers preventive benefits beyond original Medicare, including SilverSneakers® fitness.
- No medical plan deductible.
- Members have limits on out-of-pocket medical plan costs. In 2027, there is a \$2,400 annual out-of-pocket maximum on Medicare Part D prescription drug coverage.
- Guaranteed acceptance as long as eligibility requirements are met.
- Includes special programs to help members manage health conditions.
- Informational packets available by calling National Benefit Consultants, Inc., 800-875-1505 or 262-201-4370.

Froedtert FastCare® Walk-In Clinics

Non-Medicare retirees and spouses under age 65 enrolled in the City's UnitedHealthcare (UHC) insurance can receive expert care from Froedtert & the Medical College of Wisconsin providers at FastCare® clinics on a walk-in basis, without an appointment, during convenient hours. Services include diagnosis and treatment of non-emergent minor illnesses and injuries such as sore throats, ear infections, sinus infections, flu or cold symptoms, skin rashes, sprains/strains and pink eye. Retirees, spouses and dependents (ages 18 months and older) with the City's UHC health insurance have access to the four Froedtert FastCare® clinics listed below at no charge when they present their UHC insurance card. Retirees can schedule an appointment and view wait times at Froedtert FastCare® Clinics by visiting www.froedtert.com/fastcare or downloading the Froedtert and MCW app and selecting the clinic they plan to visit.

The above table provides selected highlights of the City of Milwaukee retiree benefits program. It is not a legal document and shall not be construed as a guarantee of benefits or health coverage with the City of Milwaukee. Benefit plans are governed by master policies, contracts, and plan documents. Discrepancies between any information provided through this summary and the actual terms of such policies, contracts, and plan documents shall be governed by the terms of such policies, contracts, and plan documents.

OPTUMRX PHARMACY BENEFITS FOR NON-MEDICARE MEMBERS

UnitedHealthcare/OptumRx is the City's pharmacy benefit manager (PBM) and manages and processes pharmacy claims. UHC/OptumRx also answers pharmacy benefit questions and helps educate members about programs offered through the plan.

How do members find a participating retail pharmacy?

The OptumRx pharmacy network includes 67,000 pharmacies, including chain and independent pharmacies nationwide. Visit myuhc.com and find the Pharmacy locator tool from the Member tools menu, or call the customer service number on the back of the health plan ID card.

What tools are available on the myuhc.com website?

The myuhc.com website is easy to use and offers a fast, safe, and secure way to refill home delivery prescriptions, manage accounts, get drug information and pricing, and more. Registration is free, and there are no extra fees to order home delivery prescriptions online.

Why should members show their ID card when filling prescriptions?

The pharmacy uses information on the ID card to send prescription claims to OptumRx for processing. Showing the ID card also ensures that members pay the lowest possible cost, even for a low-cost generic medication.

Are coupons for brand-name medications really a good deal?

Drug companies use copay coupons to increase sales of brand-name medications. They offer coupons or other kinds of discounts that lower or eliminate the cost of a specific drug. While a coupon means the member will pay less, the total or true cost of the brand-name medication doesn't change. Many coupons expire after a short trial period. When they do, participants may end up paying much more for a brand-name medication.

How can members keep prescriptions affordable?

Use generic medications whenever possible. If a generic isn't available, members should ask their doctor if there is a brand-name medication or a different generic medication that's **less expensive**.

When can members refill prescriptions?

Prescriptions can usually be refilled after approximately two-thirds of the medication is used. For example, 30-day prescriptions may be refilled after 23 days, and 90-day prescriptions may be refilled after 72 days.

How do members find out which medications are covered by the plan?

A Prescription Drug List (PDL) is a list of brand-name and generic medications covered by the plan. These medications are the best value in quality and price, which can help control rising drug costs. The most current PDL can be found at myuhc.com or call customer service at the number on the back of the health plan ID card 1-800-841-4901.

What is Mail Service Member Select?

Mail Service Member Select is a home delivery program that makes it easy to receive ongoing medications by mail. Home delivery has advantages: Members may pay less for their medication with a three-month supply, get free standard shipping on medication delivery and talk to a pharmacist who can answer questions any time, any day.

Members can choose to fill a 90-day maintenance medication through OptumRx or a 30-day supply at a retail pharmacy. If a member chooses a retail pharmacy, they must disenroll from the Mail Service Member Select program. Two retail pharmacy fills of maintenance medications are allowed before a member must choose. If action is not taken after the second retail fill, members may pay more for their medication until a decision is made. To disenroll, call the number on the back of your health plan ID card 1-800-841-4901.

Diabetic Benefits

The following explains the diabetic claims processes for diabetic equipment and supplies. These benefits are for active, non-Medicare employees. Please refer to the plan summary for details.

ITEM	CLAIM PROCESS
Durable medical equipment: insulin pumps and supplies used for insulin pumps	Processed through the medical benefits for all UHC plans.
Diabetic testing supplies: test strips, syringes, needle tips, lancets, etc.	Processed through the OptumRx pharmacy benefit for all members covered under the UHC plans.

UNITED HEALTHCARE RX FOR MEDICARE MEMBERS

Medicare members enrolled in City-sponsored Group Medicare Advantage plan have the UnitedHealthcare MedicareRx for Groups Part D Prescription Drug Plan with a 20% coinsurance. Medicare members must use the prescription drug card from UnitedHealthcare MedicareRx.

Why UnitedHealthcare® MedicareRx?

The UnitedHealthcare® MedicareRx for Groups (PDP) plan helps protect members from unexpected changes in prescription drug costs. Plan highlights include:

- 100% of the drugs on Medicare's Part D drug list are covered.
- More than 65,000 pharmacies in the network including national and regional chains as well as independent neighborhood pharmacies.
- Member convenience and savings with preferred mail service pharmacy.
- Customer Service available from 8 a.m. to 8 p.m. Central time, Monday thru Friday.

How to use the prescription drug ID card

Present the member ID card to a pharmacist whenever filling a prescription at a participating retail pharmacy. The card displays the member ID number which is needed by the pharmacist to process the prescriptions. To find a retail pharmacy and covered medications, go to <https://retiree.uhc.com/> or call UnitedHealthcare at 1-866-465-0572, 8:00 a.m. to 8:00 p.m. Central time, Monday thru Friday.

What is the difference between a brand-name and generic medication?

Brand-name medications are marketed under a trademark-protected name and are often available from only one manufacturer. Generic medications contain the same active ingredients as the original brand and must meet the same strict federal regulations as their brand-name counterparts for quality, strength and purity. Generics typically cost less than brands. Visit <https://retiree.uhc.com/> to register and access online tools:

- Find pharmacies
- Review the plan's drug list
- Print an extra member ID card
- Learn how the plan works by viewing current plan benefits and coverage
- Search our online health and wellness library
- View claims

Registering is simple and safe, and member's information is secure and confidential.

Diabetic Benefits

The following provides an explanation of the diabetic claims processes for diabetic equipment and supplies. Please refer to the Evidence of Coverage on the ERS website.

ITEM	CLAIM PROCESS
Durable medical equipment: insulin pumps and supplies used for insulin pumps (includes insulin used for the pump only)	Processed through the medical benefits where Medicare is primary and UHC is secondary for City sponsored UHC plans.
Diabetic testing supplies: test strips, syringes, needle tips, lancets, etc.	Some diabetic testing supplies such as test strip and lancets are processed through Medicare Part B, while other diabetic supplies are processed through the UnitedHealthcare MedicareRx pharmacy benefit for all members covered under the UHC plans.

For retirees and spouses enrolled in the City-sponsored UHC health plans

The following UnitedHealthcare (UHC) resources may help members better understand their health benefits and provide ways to maintain or improve their health and reduce out-of-pocket costs.

UHC myuhc.com

The tools and information at myuhc.com are both practical and personalized for participants to get the most out of their benefits. Learn about health conditions, treatments and costs, find in-network providers and order mail-order medications. Register at myuhc.com to get started with managing health care coverage and making informed decisions about medical treatments and overall wellness. Call the number on the health plan ID card for assistance.

UHC Find Care and Costs

Research treatment options based on specific health situations and learn about the recommended care, estimated costs, and time to treat various conditions. Look for the cost estimating link at myuhc.com under “Find Care and Costs.”

UnitedHealthcare App

The UnitedHealthcare App provides instant access to participants’ important health information, including finding a physician, checking the status of a claim, and speaking directly with a health care professional. Search for UnitedHealthcare and download from the App Store.

Calm Health App

The Calm Health App provides programs and tools to help support your mental health and well-being at your own pace. Calm Health is free to members enrolled in the City’s UHC health plan. Enroll by visiting myuhc.com Coverage and Benefits > Mental Health > Calm Health

Visana Health

Visana Health is a virtual women’s health clinic dedicated to giving you the best care at every life stage. Our doctors, clinicians, coaches, and advocates work together to help you understand what’s going on in your body and find relief from all your symptoms. Learn more by visiting visanahealth.com.

UHC App

Calm.com

Visana.com

Tier 1 Providers – Applies to Non-Medicare Plan Members Only

Members receive the highest quality care at the lowest cost for their family by seeing Tier 1 Providers. Doctors in numerous medical specialties are evaluated using national standards for quality and local benchmarks for cost efficiency. Members pay a lower coinsurance of 20% (not 40%) by choosing a Tier 1 Premium Provider. If a doctor’s specialty is not evaluated, members will automatically pay at the 20% coinsurance level. Log in to myuhc.com or the UHC App for more information.

UNITED HEALTHCARE SERVICES

For employees and spouses covered under the City's health benefits

The following UnitedHealthcare (UHC) resources help you understand your benefits, improve your health, and reduce out-of-pocket costs

Digital ID Cards

UnitedHealthcare moved to digital-first delivery of medical ID cards for members. This change is intended to enhance convenience and support a more streamlined digital experience for members. The first ID card for new plans, policies, and new plan members will continue to be mailed. There is no impact to the delivery of other benefit cards, including dental, vision, and pharmacy ID cards. Members who would like a physical medical ID card can still request one through myuhc.com®, the UnitedHealthcare app, or by contacting Member Services.

For employees and spouses covered under the City's health benefits

The following UnitedHealthcare (UHC) resources help you understand your benefits, improve your health, and reduce out-of-pocket costs

UHC Virtual Visits

See and talk to a doctor from a mobile device, tablet, or computer without an appointment. Most visits take about 10-15 minutes, and doctors can write a prescription for pickup at a local pharmacy. Not all medical conditions can be treated with a virtual visit. The average cost for members enrolled in the City's UHC health benefits plan is \$54 per visit. Register through myuhc.com. Call the number on the health plan ID card for assistance.

Virtual Primary Care

Access a primary care provider through myuhc.com for everything from routine checkups or help with complex health conditions.

Members can see the same virtual primary care provider for preventive care, follow-up visits and checkups for ongoing medical conditions. Access through myuhc.com

Telehealth Visits

Access medical, physical therapy, speech therapy, occupational therapy, and behavioral health services through a telehealth visit. Member cost shares apply. Visit uhc.com/virtualcare to learn more

Real Appeal Weight Management Program

An online weight management program that helps participants make positive changes for a better body and healthier life. Available year-round and free for eligible members enrolled in the City's health insurance:

cityofmilwaukee.realappeal.com.

Maven

Get access to comprehensive pregnancy, postpartum and newborn support at no additional cost! 24/7 virtual consultations are available with 30+ subject matter experts, including doulas, lactation consultants, nutritionists and more. Plus, dedicated care advocates are available to guide you through your pregnancy journey. Visit mavenclinic.com/join/getstarted to learn more.

Sword (Formerly Kaia) Available January 1, 2027

Sword Health is a digital health company that combines artificial intelligence with clinical expertise to find solutions to improve health outcomes and lower healthcare costs through personalized support in areas such as physical therapy, women's health, cardiometabolic risk, and mental health. Learn more at

swordhealth.com

UHC App

OPEN ENROLLMENT

Important 2027 Open Enrollment Due Date

All **"Retiree"** applications should be returned to the ERS office at the address below **no later than 4:30 p.m., Friday, October 30, 2026:**

City of Milwaukee Employees' Retirement System
789 North Water Street, Suite 300
Milwaukee, WI 53202

Open Enrollment Hotline: 414-286-3689 (active mid-Oct to late-Oct)

ERS Enrollment Instructions

- 1) Members making changes must submit a health enrollment/change form and other necessary documents, which are available at the following locations or online: www.cmers.com/CMERS_RD/Forms.htm:
 - a) ERS Office, 789 North Water Street, Suite 300
 - b) DER City Hall, Room 706.
- 2) Members making family status changes like marriage, divorce, adding/removing dependents, etc.:
 - a) Complete a Health Enrollment/Change Form, including SECTION A
 - b) Place a check in the appropriate box in SECTION B
 - c) Write the name of the affected individual(s) in SECTION C
 - d) Complete SECTION D and sign/date SECTION E
- 3) Members who are waiving City health coverage must contact a Health Insurance Specialist at ERS for an appropriate waiver form or send a letter to the pension office with an effective date.
 - a) There is no penalty for a City member who waives coverage and enrolls in coverage through a spouse or another health plan. When a member loses other coverage, they can re-enroll with City retiree coverage. Members who terminate City of Milwaukee coverage may re-enroll during open enrollment or through a qualifying event. Members who leave the City's health plan must maintain health coverage elsewhere, or they cannot return to a City-sponsored plan.

Enrollment Form Instructions for members making Health Enrollment changes

- Write "Retiree" in the Job Title box of all enrollment forms.
- A COBRA enrollee will write "COBRA" in the Job Title box.
- Do not write anything in the City Start Date and Return to Work boxes.

Members who are eligible for Medicare Part A and Part B

- City of Milwaukee employees and their spouses (and any Medicare-entitled dependents) over the age of 65 or under 65 and disabled must have Medicare Part A and B in place at the time of the City employee's retirement to avoid gaps in coverage and additional medical expenses. Arranging timely Medicare coverage is critical because Medicare becomes the Primary payer of health insurance. Refer to the "Who Pays First" guide on the ERS website.
- Include a copy of the member, spouse, and adult dependent (if applicable) Medicare ID card with the enrollment form within 31 days that Medicare is in place in order to be charged the correct health plan premium rate. Failure to show the card within the 31-day timeframe can result in members paying a higher premium. No refunds will be given after the 31-day deadline for incorrect premiums.
- It is important for ERS to know a member's Medicare status to ensure members are being charged the correct monthly health insurance premium.
- Members may experience claim-related issues and incur additional expenses from gaps in coverage if Medicare is not in place at the correct time.

Benefit Note: It is imperative that all health plan participants entitled to Medicare (whether due to age or disability) be enrolled in both Part A and Part B in a timely manner when covered by COBRA or retiree group health plan coverage. Advance Medicare enrollment planning is recommended to avoid any misunderstandings, timing issues, or gaps in coverage when arranging Part A and B Medicare enrollment.

ADDITIONAL INFORMATION COBRA

Continuation Coverage Rights Under COBRA

This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation must pay for COBRA continuation coverage.

- If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:
 - Your hours of employment are reduced, or
 - Your employment ends for any reason other than your gross misconduct.
 - If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:
 - Your spouse dies;
 - Your spouse's hours of employment are reduced;
 - Your spouse's employment ends for any reason other than his or her gross misconduct;
 - Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
 - You become divorced or legally separated from your spouse.
- Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:
 - The parent-employee dies;
 - The parent-employee's hours of employment are reduced;
 - The parent-employee's employment ends for any reason other than his or her gross misconduct;
 - The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
 - The parents become divorced or legally separated; or
 - The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under Title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the City of Milwaukee/ERS, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

ADDITIONAL INFORMATION

COBRA

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee/retiree;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The member's becoming entitled to Medicare benefits (under Part A, Part B or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:

Employees' Retirement System, 789 North Water Street, Suite 300, Milwaukee, WI 53202, 414-286-3557.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. You must notify the City of Milwaukee Employees' Retirement system if the Social Security disability determination changes within 31 days of the change.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

ADDITIONAL INFORMATION COBRA

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Plan contact information

Employees' Retirement System
789 North Water Street, Suite 300
Milwaukee, WI 53202
414-286-3557

COBRA Dental Coverage Note: If you are retiring or otherwise separating and are eligible to continue your dental coverage through COBRA, please note that CarePlus Dental only covers clinics in the Milwaukee area. If you intend to move, you should consider switching to a different dental plan when applying for COBRA.

GLOSSARY

Deductible – The amount members are required to pay each year before the plan begins to pay benefits. Members begin accumulating expenses toward satisfaction of the deductible at the beginning of each benefit year.

Coinsurance – The percentage of the cost members pay when they receive certain health care services after the deductible is met. For UHC Choice Plan, members pay 20% or 40% up to \$1,500 single and \$3,000 family. For in-network with UHC Choice Plus Plan, members pay 20% or 40% up to \$3,000 single and \$6,000 family. See below for information on UnitedHealthcare Premium Tier 1 Providers for the difference in coinsurance amounts.

Copayment – The flat dollar amount members pay when they receive certain medical care services. Copays may be due at the time of service.

Coordination of Benefits (COB) – If members have Medicare and other health coverage, each type of coverage is called a ‘payer’. When there’s more than one payer, “coordination of benefits” rules decide who pays first. The “primary” pays what it owes on member bills first, and then the remaining portion is sent to the “secondary payer” to pay. Members should tell doctors and other providers if they have health coverage in addition to Medicare.

In-Network – The care or services provided by doctors, hospitals, labs or other facilities that participate in the network of providers assembled by UnitedHealthcare. Generally, members pay less when receiving care in-network because the providers agree to charge a pre-negotiated, lower fee. This reduces member out-of-pocket costs and the overall claim cost.

Out-of-Network – The care or services furnished by doctors, hospitals, labs or other facilities that do not participate in the UnitedHealthcare’s provider network. If members are enrolled in the Choice Plus Plan and use an out-of-network provider, members’ share of the cost is based on the reasonable and customary charges allowed by the plan. Amounts charged over reasonable and customary do not count towards the annual deductibles and out-of-pocket maximums.

Out-of-Pocket Maximum – The maximum amount members pay during the year for covered health care services. When the annual out-of-pocket maximum is met, the plan pays the full cost of covered expenses for the remainder of the benefit year. Covered expenses (deductibles and coinsurance amounts) apply towards the out-of-pocket maximum.

UnitedHealthcare Premium Tier 1 Providers – Members pay lower coinsurance amounts (20%) for services provided by UnitedHealthcare Premium Tier 1 Physicians. UnitedHealthcare Premium Tier 1 Physicians are evaluated annually and receive the premium designation for providing higher quality care with better patient outcomes at a lower cost. For quality care and cost efficiency measures, providers must meet national industry standards of care and local market benchmarks for the cost-efficient use of resources in delivering care. If a provider is not evaluated for Premium Tier 1, members will continue to pay a 20% coinsurance.

Medicare Part A (Hospital) – Medicare Part A covers Medicare inpatient care, including care received while in a hospital, a skilled nursing facility, hospice, and, in limited circumstances, at home.

Medicare Part B (Medical) – Medicare Part B (medical insurance) covers services and supplies that are medically necessary to treat members’ health conditions. This can include outpatient care, preventive services, physician services, ambulance services, and durable medical equipment.

Medicare Part D (Prescription Drugs) – Medicare Part D covers the costs of prescription drugs and prescription drug insurance premiums for Medicare-eligible members.

Medicare Advantage Plan – Medicare Advantage Plans, sometimes called “Part C” or “MA Plans,” are offered by private companies approved by Medicare. Medicare pays these companies to cover Medicare benefits. A Medicare Advantage Plan provides Medicare Part A (Hospital Insurance), Medicare Part B (Medical Insurance), and Medicare Part D (prescription drug) coverage.

Questions

Members who have questions on medical or pharmacy benefits regarding unpaid bills or problems with service should call the health plan first. DO NOT call the ERS office until the appropriate plan has been contacted. If the situation cannot be resolved through the plan provider, ERS will attempt to assist with resolving the problem. Remember to document phone conversations with dates, times, and names, and save any email correspondence. ERS will ask members for this information to try and resolve the issue.

Compliance Notifications

Important legal notices affecting member health plans are posted on DER's benefits website www.milwaukee.gov/Benefits under "L" Legal Notices.

About This Guide
