

Open Enrollment Virtual Fair Information

Due to the COVID-19 Pandemic, the City of Milwaukee will not be conducting in-person Open Enrollment Fairs this year. In lieu of having in-person fairs, the ERS will be offering two virtual fairs where employees and retirees can call in and have our staff answer questions related to Life Insurance and Retiree Health Insurance. The information on the virtual fairs is below.

Please note that there will be a general presentation about the benefits and process during the first 15 minutes of each session, but you can join at any time during the window to talk to staff.

The platform being used for these Fairs is Cisco WebEx (similar to Zoom), and you can use your computer or smart device (phone, iPad, etc.) to join. If you want to join via your smart device, you should get the WebEx Meet app from the App Store of your smart device (Android or Apple) prior to joining the meeting.
